

The Talent Management Institute

A strategic, practical program that builds talent management capabilities in human resource generalists, talent management leaders and leadership development specialists.

March 27 – 30, 2017 October 16 - 19, 2017

University of North Carolina Kenan–Flagler Business School
Chapel Hill, North Carolina

Content Overview

In a complex global environment, superior talent remains the surest path to sustained competitive advantage. Yet organizations are finding that traditional approaches to talent building are falling short of expectations. Perfect design isn't delivering perfect results. This highly interactive course quickly builds the capabilities and provides the tools necessary to design and execute a flawless talent management strategy.

Your program faculty are experienced talent management executives who have successfully created integrated talent management systems at companies like Johnson & Johnson, Bank of America, Avon and more. Each faculty member now consults to the world's largest and most successful companies.

Key Takeaways

- Directly link your Talent Management Agenda to the organizational & leadership capabilities that your organization needs to execute its strategy
- Learn how to build a state of the art Talent Production Line for your organization
- Become an expert in assessing talent and accelerating the growth of high potential talent
- Assess your organization's talent management practices against world-class talent management standards
- Transform your performance management process using real science-based simplicity
- Become the talent expert & trusted advisor to senior executives on talent issues
- Get access to benchmark talent management practices, processes, templates and tool kits
- Create an organizational & individual talent management action plan

Additionally, all participants get access to an exclusive Dropbox full of program materials, tools, templates, articles and much more.
